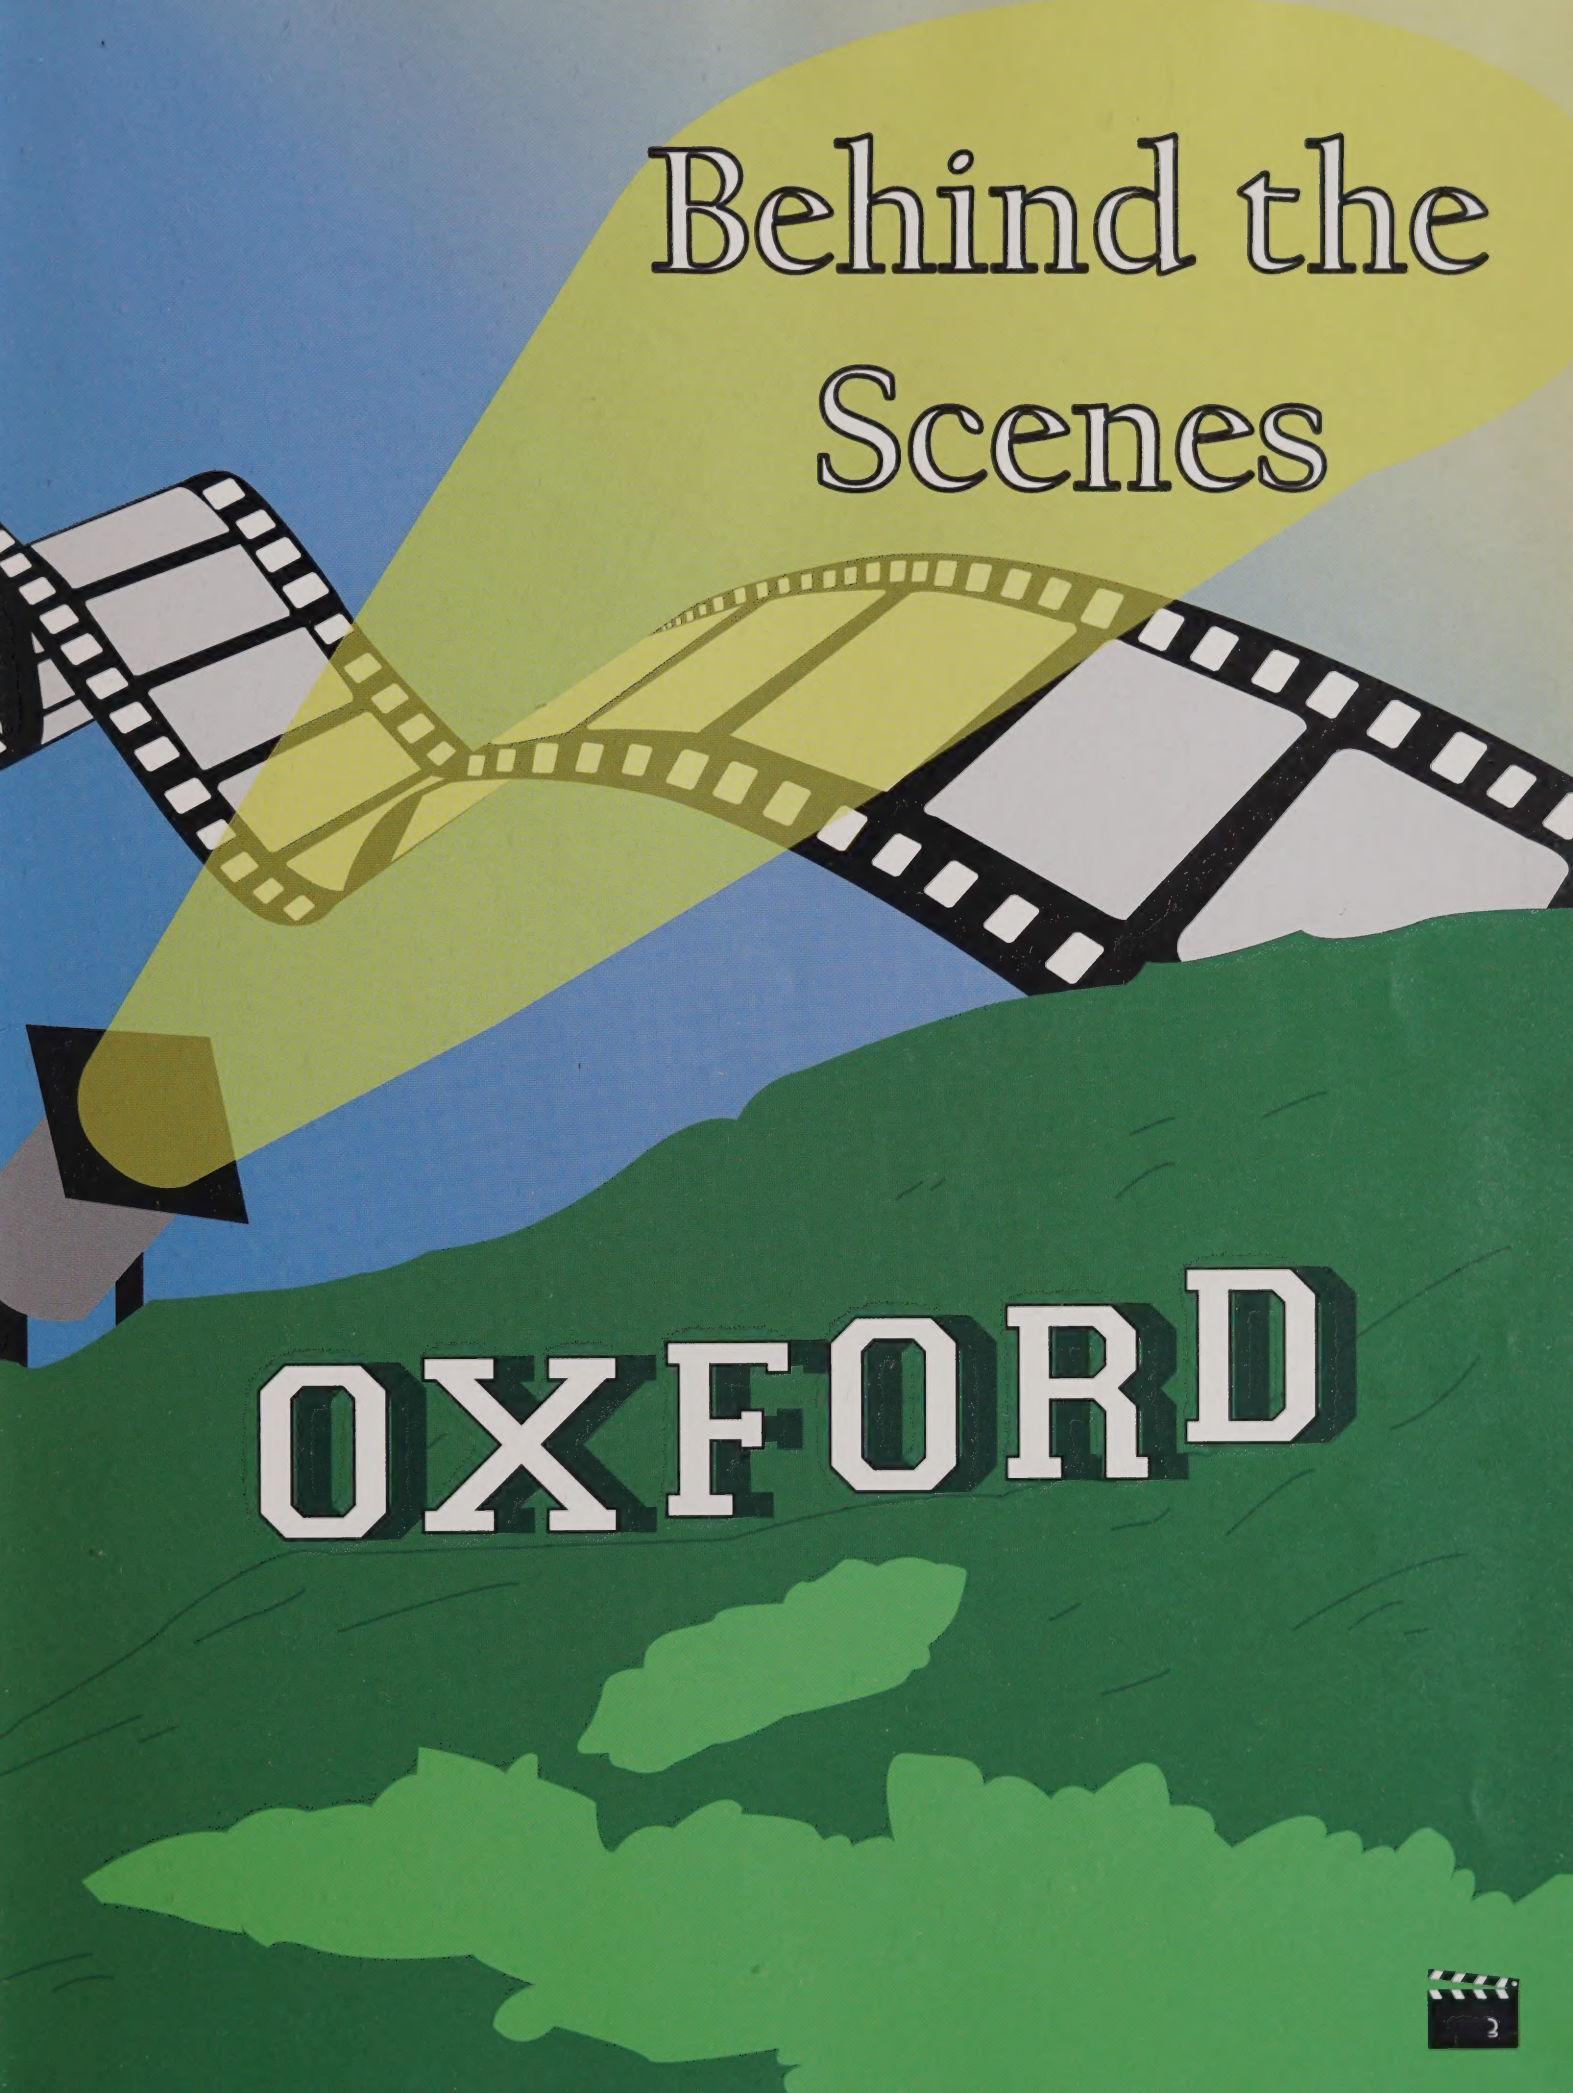
Behind the Scenes



The Oscar for Best Teacher goes to...

Mr. Timothy Craig

Dedicated Coach, Teacher, and Department Head

"Do your best and forget the rest."

Mr.Craig,
Four years ago, I would not have envisioned myself as a Calculus Student or Cross Country Champion, but because of you, Craig, I am. My high school experiences have been tremendously impacted by your dedication, passion and enthusiasm in everything you do. Never did I imagine five miles could be a "short" run, that is until a math enthusiast with calf warmers and a neon shirt encouraged me to "stick in" and keep going. The culmination of our perseverance as a team and your unwavering encouragement has lead us to a SWCL Championship the season.

In the classroom, your energy towards solving difficult problems is contagious. Your mantra of "productive struggle", adopted by your students, emphasized your willingness to overcome any obstacle. This idea of seeing the difficulty in a challenge to be something to work through is a model for life. On behalf of the students at Oxford High, I would like to sincerely thank you for the memorable years you have involved ypurself in our lives. I'm going to miss you, Craig.

-Anthony Rizzo

Seniors,

Look how far we have come! From being little freshmen thinking senior year would never come, to being seniors wishing it would never end. This turning point in our lives is one that brings us all together. We have transitioned into adults and haven't even noticed it. From applying to our first jobs, to applying to college, everything is getting pretty real. Even though we are all at the door waiting to run out of here, I want to enjoy every experience we have left together.

20 years from now I want us to telling our kids and family about how great our senior year was. This is it, let's make the best of it!

The Class of 2017 is like one big family. We all have our strengths; put them together, and you've got a force to reckon with. We have progressed as a whole in so many ways and it has been so wonderful to grow up with such great people. I also would like to thank my other brilliant officers and one of the best class advisors there will ever be, Miss Russo. We wouldn't have this much success without you! Senior year can be somewhat bitter sweet, but we are all anxious for what memories will be made and how much stronger our family will get. This class may be small, but we are mighty! Thank you all for a great three years!

CLASS OF 2017

sophomores

Class of 2018,

I want to start by thanking you for choosing me to serve as president again this year. It has definitely been full of adventure and such an amazing time. To me, our sophomore year has been inspiring thus far. Instead of just a few members putting in the effort, the entire class has worked together and we've achieved immense success. From Homecoming to every fundraiser under the sun, our class has functioned as a whole, bringing everyone closer. The support from our class has truly grown, which is a result of all our collective hard work. This second term has been the greatest honor, and I am truly blessed to have the privilege to lead you all again. Bring on the rings!

CLASS OF 2018

SOPHOMORES

Freshman

Being the freshman class president is amazing. I enjoy knowing that I'm part of something bigger than just myself. It's a great responsibility, but I know when I see how well things like the Candy Grams, Homecoming booth, and Deck the Halls are that it's worth it. I love being diverse and involving myself in many things, such as the N.J.R.O.T.C. program, band, student council, and class council. The many activities I'm involved in gives me a wide variety of angles to view the school. Oxford High School is full of kind people, challenging courses, and many new opportunities for everyone to tackle. I'm amazed at the positive changes that have occurred both personally and academically for me since my arrival in September. The class of 2019 has given me an amazing opportunity to lead and I do not plan on failing that task.

Advisers Rachel Piette and Lisa Greene

"Best Buddies is an international organization that engages students with intellectual or developmental disabilities by providing them with a one-to-one friendship. Fortunately, we are blessed with two dedicated advisers, Lisa Greene and Rachel Piette, who put so much effort into making Best Buddies successful. To kick the year off we have our annual Matching Party, which is followed by our biggest fundraiser: the Teacher vs. Student Basketball Game. The pairs get together about twice a month making memories such as going to the movies, attending club parties, and participating in bowling. As president, it is truly heart-warming to see all the members' faces light up when they get together with their matches. Being a member of Best Buddies has definitely had a powerful impact on my life and will always hold a special place in my heart. "

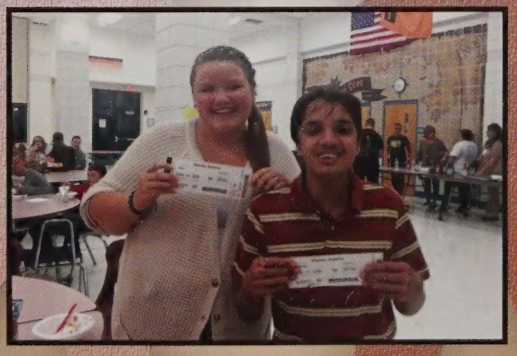
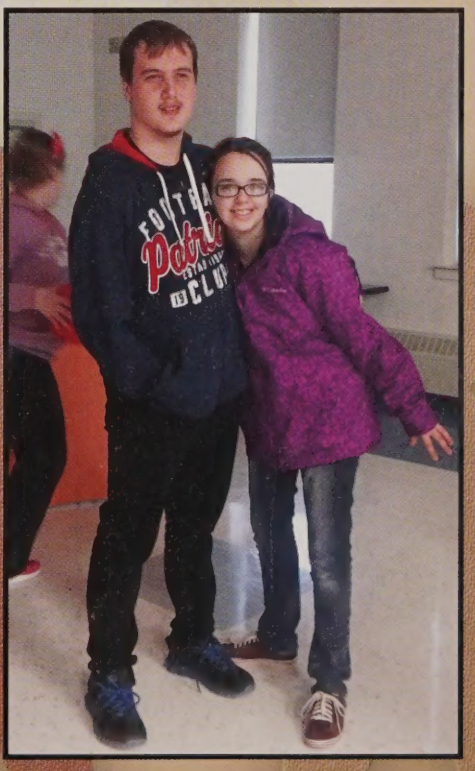
Season's
Greetings





Student Council

Mrs. Spitz ~ Advisor

"The Student Council is a group that benefits the school by increasing school spirit and involvement with the Special Olympics. All year round, we work together attending many leadership conferences and brainstorming ideas that will make each year the best it can be. With the help of our amazing advisor, Mrs. Spitz, and our dedicated members, the Student Council has made numerous achievements including (but not limited to) memorable Homecomings, competitive Winter Games, and providing Thanksgiving meals to families who need one. Who would have ever known that singing about brown squirrels, toast, and little red wagons would lead to such a strong bond between a group of students? Moreover, due to the passion and spirit our members exhibit, we are known as one of the best councils in the state, as we are a Gold Council. I am so incredibly proud of every member on this council for all their time and effort they dedicate to stuco. I know they will continue on to provide greater opportunities for all students at OHS."

National Honor Society is an organization involving students who show a handful of qualities such as leadership, citizenship, and character. National Honor Society members help both the school and the community. These students do volunteer work throughout the school year and summer for nursing homes or other organizations such as Be Like Brit. Some of the fundraisers these members hold throughout the year include Pennies for Patients where all money collected is donated to the Leukemia and Lymphoma Society, Socktober, and Glovember. Socktober and Glovember are fundraisers where we collect donated, new socks or gloves for an entire month that are then sent to those in need in both the Oxford community and surrounding areas. This was the first year for both and during Socktober, the students were able to collect more than 1,200 pairs of socks.

OHS Theater

From past performances, to today's practices, to tomorrow's shows, the show must go on. Last year's performance, Oklahoma, provided lots of laughs and entertainment for all who attended. A lot of time and effort goes into putting together a show, including writing the original plays, assembling back drops, and painting props. Therefore, we offer a round of applause to not only the characters on the stage, but the stage crew as well.

Congratulations Boys Varsity Basketball!

This year, our Boys Varsity Basketball team demonstrated how hard work and commitment pay-off. After a tough 54-52 loss to Sutton in overtime to start the season, the boys bounced back winning 18 of their next 20 games. Led by seniors Jared Buckley, Shaun McCarthy, and Jarod Schutrick, the team average 64 points a game, and outscored their opponents by a total of 1343 points to 1102 points throughout their 21 game regular season. Going into the district playoffs the boys were the number one seed, and earned a bye in the first round. After two painless wins over Clinton and Littleton in the 2nd and 3rd rounds, the boys were on to play Bartlett High for the District title. An astounding second half effort by the team led Oxford to the first Boys Basketball District Championship in 36 years. In the State Semi-Final game vs. Hoosac Valley, a late basket by Shaun McCarthy pushed the Pirates past the Hurricanes by a final score of 45-44. For the first time in the history of Oxford High School's Boys Basketball, the team qualified for the State Championship Game. Although the boys suffered a loss, everyone in the school and in the Oxford community is extremely proud of everything the team has accomplished. The 2015-2016 Boys Varsity Basketball team will undoubtedly go down in history as one of the greatest teams to ever play at OHS.

Congratulations Jared, Shaun, and Jarod for reaching 1,000 points this season!

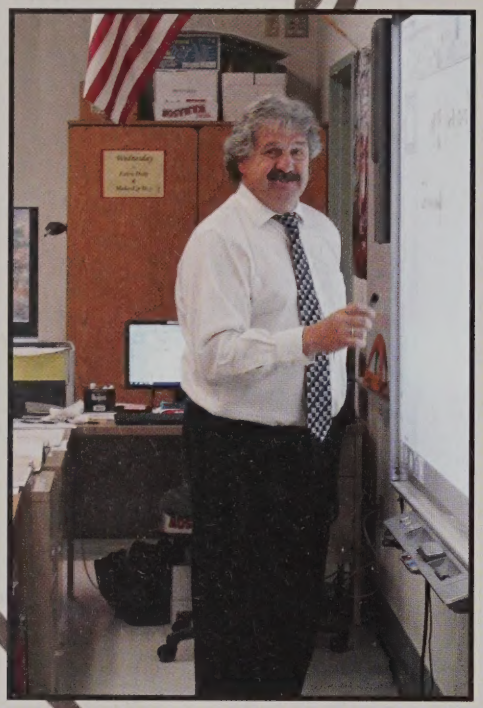
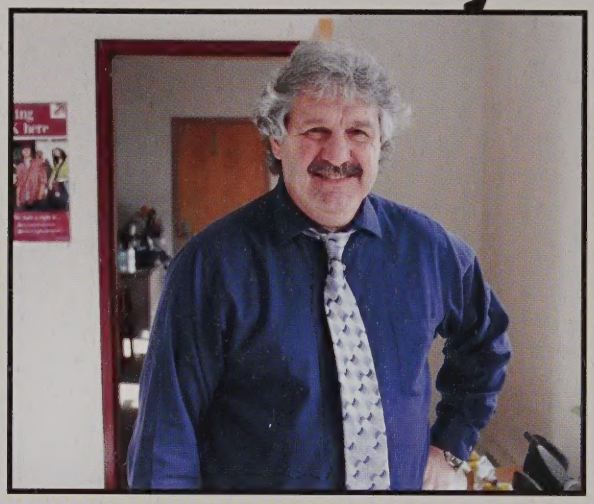
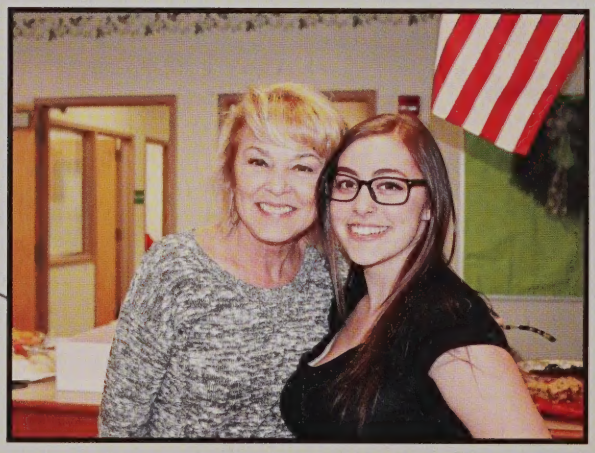
Farewell Faculty





"Mr. Lirange was an amazing teacher. His years of experience reflect in his teaching and he has a unique way of connecting with students, always interested in their lives outside of school." - Tiffany Vo, Freshman



"Mary Jane Racicot was one of the secretaries at our school for many years. She had an infectious, glowing personality that was sure to wake you up if you arrived tardy on a Monday morning. She was one of a kind and an absolute pleasure to be around, whether you were student or a teacher. Mrs. Racicot will always be greatly appreciated and dearly missed." - Aidan Rawson, Junior

"Commander Masley was an amazing teacher and an influential mentor. He taught everyone some type of life lesson. Commander taught us how to help everyone and work effectively with minimum consequences. I know he will be missed, and all of his wisdom and guidance will be missed." - Stephen Bouchard, Senior

"Mr. Sikonski has been an amazing asset to me during the college decision making process. He pushed me in ways I didn't want to be pushed, but was necessary. Because of his support, I have created goals, met deadlines, and succeeded. Not only has he helped me with my school career, but he has also helped me in my personal life. Overall, Mr. Sikonski is a great man, who has a passion for his work." - Kyle Durant, Senior

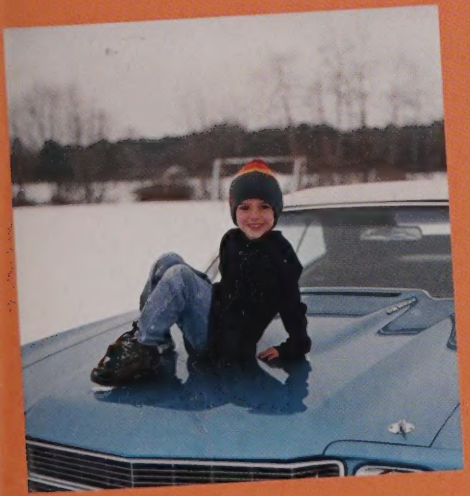
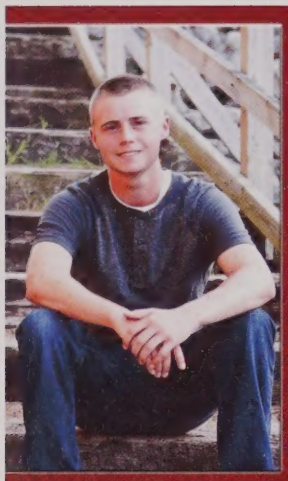
Nik,

What can I say to the funniest kid in our family? A lot, I guess, as I learned when I began to write this. After your two brothers, I didn't know that you were going to be my third son. And everyone thought there would be disappointment because you weren't a girl. However, the exact opposite happened: all I saw was the most beautiful and the sweetest baby ever. I held you like you might break. I looked at you like you were the best gift I would ever be given. If you think I am exaggerating, you need to ask your Auntie Debbie. She made fun of me because of how many times I would stop listening to her so that I could make sure you were comfortable and that any little cry was taken care of.

Yes, I just wanted to hold you and protect you always. Over the years, however, we learned that you did not need protection. You had so much adversity in your young life trying to hold you back, but nothing stopped you. I have never seen anyone more positive than you or anyone more quick to smile or share a laugh.

Finally, as your mom, I want to thank you for always being such a loving and caring son. Your kind and giving heart should always be the way you live. Enjoy what is to come; you deserve every wonderful thing that is coming your way. Remember, my heart will always be with you, Nikolas. I will always miss you as my baby boy, but I could never be more proud of the man you have become. Your family will always be here and love you forever. xoxoxo





William

Our wish for you...
Be strong and confident.
Aim for the highest peaks.
Take the path less traveled.
Keep your friends close.

Know that we love you truly, always.
We are so very proud of you.

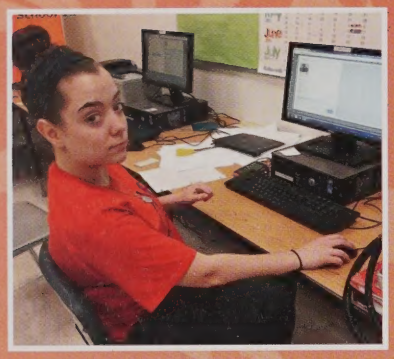
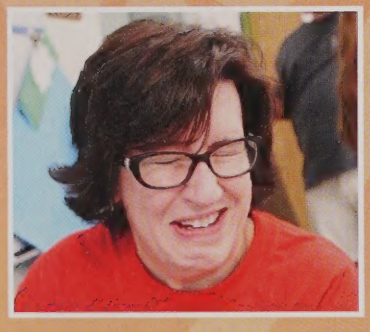
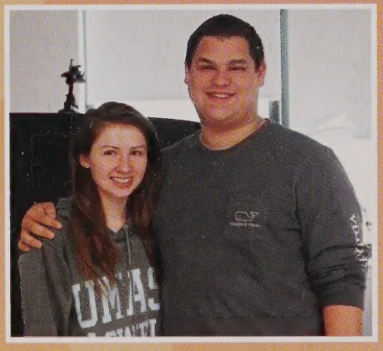
A Final Goodbye

From The Yearbook Staff







Top: James Sadowsky, Anthony Rizzo, Brianna Higgins, Lauren Cady, Tyler Soto, Ms. Nugent
Middle: Mrs. Mwenye, Nicole Grady, Amy Rosebrooks, Taylor Brigham, Kaitlyn Zindle, Nikole Jones

Yearbook is definitely more stressful than any other academic class. We've spent countless hours working in class, from home, attending all the school events for pictures and driving all around the town to sell Ads. I couldn't be more proud of this group! Despite the stress, we've still managed to slowly but surely put the book together!
- Nicole Grady, Co-Editor in Chief, Senior '16

Everybody knows that joining the staff comes with responsibility, stress and dedication and every member certainly did their best. I'm thankful to have been apart of such an amazing group these passed few years and truly hope that the members in the years to come find as much joy, if not more, than I've experienced!
- Patricia Alger, Fundraising Coordinator, Senior '16

Being a part of Yearbook is a lot of work, but the end product is always worth it. To be able to work on and see the book before everyone else is pretty cool as well. Always remember that keeping up with deadlines is the key to success in Yearbook!
